A Place of Hospitality for Homeless and Poor Persons
1268 Jefferson, Memphis, TN 38104
Monday, Tuesday, Thursday, 8 am to 11:30 am

In the spirit of hospitality in each of the world's great religions, Manna House provides a place of welcome where persons are treated with respect and dignity.

Each day that we are open we offer coffee, water, use of a restroom, a place to relax, read or play board games. On Mondays and Thursdays there are showers for men (limited to 20, with signup the previous day that Manna House is open), and on Tuesdays there are showers for women (limited to 15, with signup on Monday).

Also on Mondays and Thursdays "Socks and Hygiene" are offered to 51 persons. On Tuesdays "Socks and Soap" are offered to 51 persons. There is no requirements for ID or social security number to access any of the services. To ensure that a person gets on the "Socks and Hygiene List" it is necessary to arrive before 8:30am. The list fills up fast, especially toward the end of the month. We begin to sign persons up for both "Socks and Hygiene" and the shower list at 7:45am.

Manna House does not have a phone.

Manna House is funded completely by donations and neither seeks nor accepts any government funding. There is no paid staff at Manna House; all are volunteers.

Sincerely, Kathleen Kruczek, Co-Director
Peter R. Gathje, Co-Director

We are a multi-issue, cross-constituency, and membership-based organization working to fulfill our mission to engage, organize, and mobilize communities to realize social justice through nonviolent action.

The homeless community has faced many injustices, and we are dedicated to improving services and empowering homeless. Instead of taking a top-down approach to confronting homelessness, we want to see that their voices are added to the conversation and ensure they have a seat at the table. Collaboration between service organizations and people who are homeless will allow us to have a better understanding of the problem, leading us to a better solution.

Our current efforts in improving the living conditions of Memphis's homeless include facilitating Homeless Organizing for Power and Equality (HOPE) and the Memphis Bus Riders Union. In addition, we are in the process of surveying people experiencing homelessness to assess their needs and their experiences with existing service providers.

Homelessness is nothing less than a human rights issue. In addressing this challenge, we intend to do everything we can to ensure a higher quality of life for all Memphians.

IT IS IMPORTANT TO KNOW YOUR RIGHTS:

- You have the right to remain silent. If you wish to exercise that right, say so out loud.
- You have the right to refuse to consent to a search of yourself, your car or your home.
- If you are not under arrest, you have the right to calmly leave.
- You have the right to a lawyer if you are arrested. Ask for one immediately.
- Regardless of your immigration or citizenship status, you have constitutional rights.

YOUR RESPONSIBILITIES

- Do stay calm and be polite.
- Do not interfere with or obstruct the police.
- Do not lie or give false documents.
- Do prepare yourself and your family in case you are arrested.
- Do remember the details of the encounter.
- Do file a written complaint or call your local ACLU if you feel your rights have been violated.

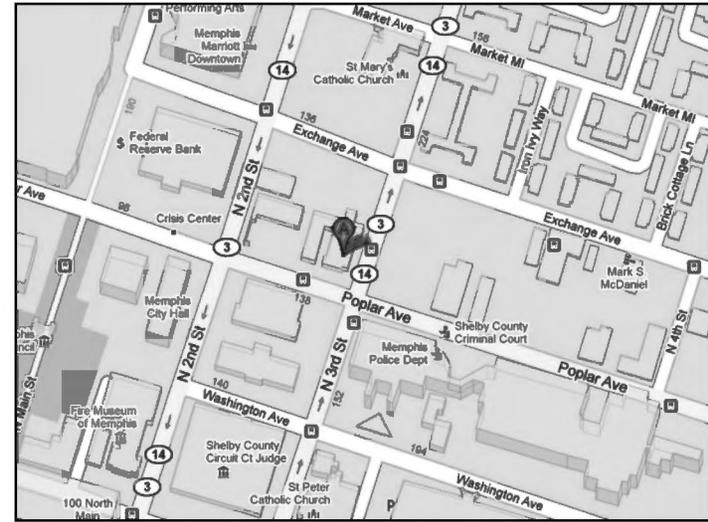

IF YOU ARE STOPPED FOR QUESTIONING

Stay calm. Don't run. Don't argue, resist or obstruct the police, even if you are innocent or police are violating your rights. Keep your hands where police can see them.

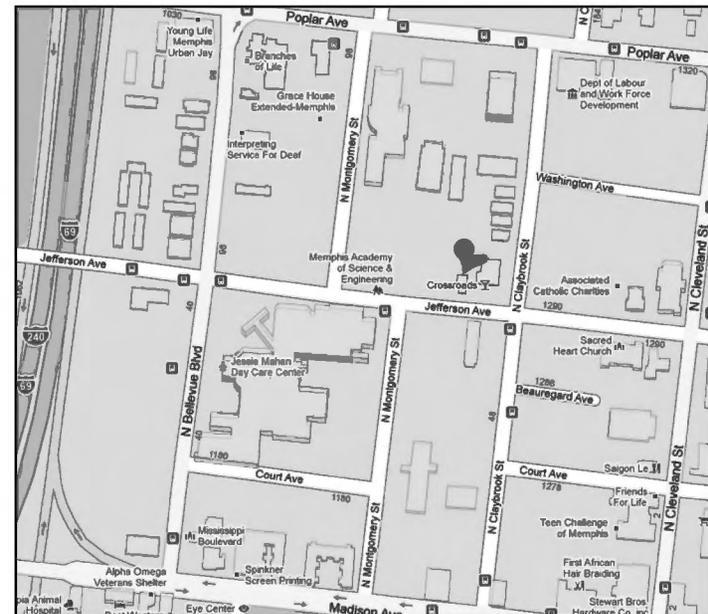

Ask if you are free to leave. If the officer says yes, calmly and silently walk away. If you are under arrest, you have a right to know why.

You have the right to remain silent and cannot be punished for refusing to answer questions. If you wish to remain silent, tell the officer out loud. In some states, you must give your name if asked to identify yourself.

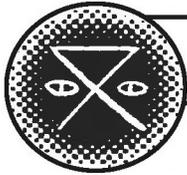

You do not have to consent to a search of yourself or your belongings, but police may "pat down" your clothing if they suspect a weapon. You should not physically resist, but you have the right to refuse consent for any further search. If you do consent, it can affect you later in court.

Manna House, 1268 Jefferson Ave.

St. Vincent de Paul Soup Kitchen, 1306 Monroe

Calvary Episcopal Church, 102 N. 2nd St.

IF YOU ARE ARRESTED....

Do not resist arrest, even if you believe the arrest is unfair. Say you wish to remain silent and ask for a lawyer immediately. Don't give any explanations or excuses. If you can't pay for a lawyer, you have the right to a free one. Don't say anything, sign anything or make any decisions without a lawyer.

You have the right to make a local phone call. The police cannot listen if you call a lawyer.

Prepare yourself and your family in case you are arrested. Memorize the phone numbers of your family and your lawyer. Make emergency plans if you have children or take medication.

IF YOU FEEL YOUR RIGHTS HAVE BEEN VIOLATED

Remember: police misconduct cannot be challenged on the street. Don't physically resist officers or threaten to file a complaint.

Write down everything you remember, including officers' badge and patrol car numbers, which agency the officers were from, and any other details. Get contact information for witnesses. If you are injured, take photographs of your injuries (but seek medical attention first).

File a written complaint with the agency's internal affairs division or civilian complaint board. In most cases, you can file a complaint anonymously if you wish.

Tips for Teens.

We Care About You and We Can Help...

- Don't be afraid to ask for help.
- You can ask for help for a friend.
- Look for a trusted adult to talk to: teacher, guidance counselor, family member, neighbor, family friend, minister/ clergy, etc.
- You can call a local youth shelter or the National Runaway Switch board at 1-800-RUNAWAY for help without using your name.
- The staff at any local Safe Place program are willing to listen.
- Your concern is not too big or too little for a Safe Place agency to help.
- Be honest about your needs.
- The first time we experience most events, we react strongly.
- As we think it through or the event occurs again, our reactions change. Writing out your feelings can help.
- Admit your own mistakes. Attack the problem and not the person. Calm down before you react. Think before you speak. And, look for understanding without being defensive.
- If you do not have a safe place to be, you have a right to a Safe Place.
- Using tobacco, alcohol and other drugs can have a negative effect on your life; the majority of youth have chosen not to get involved with drugs or alcohol.

Remember, a crisis is temporary and will pass with time. Dealing with it in the right way is most important.
